

**The 6th International
Young Researchers Workshop
On
River Basin
Environment & Management
20-21 October 2018**

Jimbaran Resort Beach, Bali

Call for Abstracts

Submit your abstract to
coe@yamanashi.ac.jp

The 6th IYRW on River Basin Environment and Management focus on

(1) knowledge and information sharing on recent advances in the general researches and management of river basin systems;

(2) technical exchanges and **capacity building** for young researchers and professionals;

(3) networking for future collaborations for researches and event organizing.

The workshop is organized by Science Union for River Basin Researches and Friends (SURF); Universiti Malaysia Pahang (Malaysia), University of Yamanashi (Japan), University of Newcastle (Australia), Asian Institute of Technology (Thailand), Naresuan University (Thailand), Hanoi University of Science – VNU (Vietnam), University of Science - VNUHCM (Vietnam), University of Brawijaya (Indonesia), and Center of Research for Environment, Energy and Water (CREEW, Nepal).

On behalf of organizer, we warmly welcome all young researchers, professionals, water-related managers and policy makers to participate and submit abstract on outlined topics and others falling within the scope of **Hydrological Management, Water Resource and Management, Water Quality and Health Related Aspect, Environmental Technology and Current Environmental Issues.**
